COMMENTS / SPECIAL MENTIONS & SCORERS
<p>A tough afternoon at the office for the Year 11 rugby squad, going down comfortably in a 34-7 loss to Uffculme School. Uffculme were gunned up with som very powerful players, some of which looked like they were from the PE staff! Undeterred, HCC stuck to the task, attempting to tackle anything that was put in front of them. Throughout the match, HCC really struggled to gain and maintain possession of the ball, with the breakdown being an area of concern. In defence, we became very narrow and the speed of ball on offer to the Uffculme backs allowed the fast players enough space to punish us on the scoresheet. Our consolation try came through a quick dash</p>

down the short side from Charlie White, following a chop tackle from Tom Phillips and an excellent counter ruck from Matthew Ducker.
