COMMENTS / SPECIAL MENTIONS & SCORERS
<p><b>First team report- Written by Saffron Doble</b></p> <p>In our first quarter, we had the lead 7-4, having numerous centre passes to goal, from Centre JJ, to WA Millie and then into the D for our shooters. There was exceptional drives forward for the centre pass. Some great interceptions, leading to turn overs, throughout the court. The second quarter, we found our feet, keeping the ball controlled, making fluent passes and traveling swiftly down the court, but sadly losing, 12-11 In the third quarter, it began to become a more defensive game as the score became 17-14 to Colyton. Lots of communication and also some great shots went in from our shooters Maddie and Jess. The last quarter, we all kept our heads up high, kept calm and put all of their energy into the last 7 minutes. With the end score becoming 22-17 to Colyton.</p> <p><b>Second team report- Written by Fay Rabjohns</b></p> <p>As a team, we played a good game and stayed positive through the whole match. We had first center. In that quarter, we had good start and end up 4 -1 to Honiton. There we some amazing</p>

shots in this quarter. In the second quarter, we had more possession so the opposition could not have a chance to score and end of the quarter it was 7 -1 to Honiton. The third quarter Colyton was able to catch up but it was still 9 -6 to Honiton. However, in the last quarter Colyton was able to overtake Honiton and win 14 – 10 to Colyton. Colyton had a strong defense. However Honiton had a strong attack and we played well as a team. Special mention to Aleisha and Scarlet who were late additions to the team and played superbly.

Also thank you to the three year 9s who played up a year group to make sure we had a two teams.
